30 April 1952

Dear Mr. Nicholas:

We are happy to note from your letter of April 28 that you will attend the ceremony as the representative of Dr. Graham, of Yankton College. We are enclosing a card for the academic procession before the exercises commence, and you will note from it that academic attire is not obligatory. However, if you wish to wear your academic robe, it will be entirely in order.

Cordially yours,

Bertha L. Lyons (Mrs. N.)
